

LED EMERGENCY LIGHT (3001)BLK

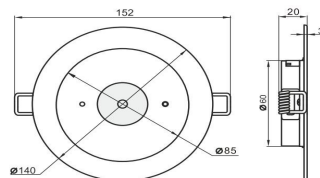

Product Features

- Recessed spitfire LED emergency light
- Non-maintained operation
- In accordance with AS2293.3 & IEC 60598-2-22
- Made with LM-80 certified LED chips
- Long life-span with low power consumption
- With flex and Australian standard plug

Technical Specification

Model	SP-3001-BK
Watts	3W
Input Voltage	AC 220-240V 50/60Hz
Battery Type	4.8V Ni-MH 1800mAh
Case Material	Flame Retardant (V-0)
Colour Temp.	Cool White 6000K
Charging Time	24 Hrs
Duration Time	3 Hrs
Lumens Output	140lm
Size	D140 * H20mm (Cutout: D70mm)
IP Grade	IP 20
Beam Angle	160°
Work Mode	Non-maintained
Test Mode	Manual Test
Classification	C0:D25 C90:25
Housing Colour	Black
