

EP0108 Electricians Plier

Major Tech's 203mm Electricians Plier is a reliable and durable tool designed to meet the specific requirements of electricians. Crafted from quality 50CRV Chrome Vanadium, it ensures guaranteed cutting-edge hardness at HRC 58-63, making it suitable for both hard and soft wires. Individually tested to 10,000V, this plier provides a high level of electrical safety with a 1000V safe performance. The heavy-duty TPE rubber-insulated handle grips offer a comfortable and secure grip during extended use. With a length of 203mm, a 53mm head, and a handle length of 150mm, this electrician's plier provides the precision and strength needed for various electrical tasks.

Features

- Guaranteed cutting edge hardness
- HRC 58-63 suitable for both hard & soft wire
