

## EP200 200mm Combination Pliers

The Major Tech's 200mm Combination Pliers are precision tools designed for both hard and soft wire applications, guaranteeing quality and versatility. Crafted from robust 55# carbon steel, they are built to endure the demands of any task. The heavy-duty ergonomic handgrips provide comfort and efficiency, reducing hand fatigue during extended use. For added safety, these pliers feature heavy-duty insulation. Whether you're a professional or a DIY enthusiast, rely on these pliers for all your gripping and cutting needs.
