

## EPC230 Combination Pliers with Crimper

Major Tech's Combination Pliers with Crimper are precision tools designed to handle both hard and soft wire applications, offering guaranteed cutting edge hardness and versatility. Crafted from robust 55# carbon steel, they're built to endure demanding tasks. The heavy-duty ergonomic handgrips provide comfort and efficiency, reducing hand fatigue during extended use. These pliers feature a crimp slot for added functionality, making them a versatile addition to your toolkit. With heavy-duty insulation for safety, whether you're a professional or a DIY enthusiast, these pliers are your go-to choice for all your gripping, cutting, and crimping needs.
