

FTS30 30m Fish Tape

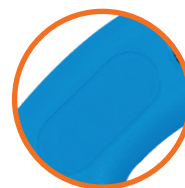

Major Tech's 30m Fish Tape is a must-have for hassle-free cable installation. This robust tool features a tough plastic housing, ensuring longevity, while the carbon steel draw-wire provides the strength needed to pull electrical and telecommunication cables through conduit. With a convenient return button and clear windows to monitor draw-wire levels, it simplifies your work. Whether you're a professional or DIY enthusiast, our 30m Fish Tape is your go-to solution for cable conduit projects.

Features

- To pull electrical and telecommunication cables through conduit
- Draw-wire manufactured from carbon steel
- Button to allow the draw-wire to return to original position
- Windows to see the amount of draw-wire in the roll
