

HP0335 100g Pin Hammer

The 100g Pin Hammer is a precision tool designed for delicate tasks. Its features include a drop-forged 100g steel head with mirror-polished faces for precision striking. To ensure comfortable and efficient use, this hammer is equipped with a shock-absorbing rubber grip and a balanced head. The fibreglass handle provides maximum strength, making it a reliable choice for your precision hammering needs.

Features

- Dropped forged 100g steel head
- Mirror polished finish
- Shock absorbing rubber grip
- Balanced head
- Fibreglass handle for maximum strength
