

LP0108 200mm Long Nose Pliers

Major Tech's long nose plier guarantees cutting edge hardness, suitable for both hard and soft wire applications with an HRC rating of 58-63. Crafted from quality 50CRV Chrome Vanadium, they ensure durability. Individually tested to 10 000V, they offer 1000V safety for electrical work. The heavy-duty TPE rubber insulated handle grips provide comfort and security, making them ideal for confined spaces. Trust these pliers for precise and safe work, whether you're a professional or a DIY enthusiast, especially in electrical tasks.
