

SLM0806 Magnetic Spirit Level

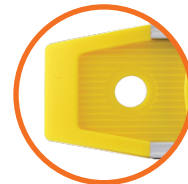

Major Tech's SLM0806 Magnetic Spirit Level boasts a unique barrel shape for measuring slopes in fractions per foot of pitch. Made from durable plastic, it offers three-way functionality for various angles. The built-in magnetic base ensures secure attachment to steel surfaces, and the vials are UV-protected with a yellowish-green tint for accurate readings in any lighting condition. Whether you're a professional or a DIY enthusiast, the SLM0806 is your precision tool in a distinctive design.

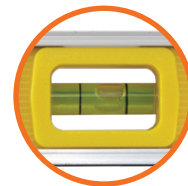

Features

- 3 Way horizontal, vertical and 45° angle finding
- Tough plastic construction
- Fixed all-round viewing
- Built-in magnetic base for fixing steel boxes
- Vials have a yellowish-green tint with additives for UV protection
